INDIA'S RENOWNED RENEWABLE ENERGY EVENT

Under the Patronage of the Ministry of New and Renewable Energy, Renewable Energy World India will bring together industry experts to exchange knowledge and showcase new renewable energy technology developments that will ultimately help transform India's power generation system into one that is low carbon.

The event covers the entire renewable energy spectrum.

Solar Power

Wind Power

Hydro Electric Power

Bio Energy

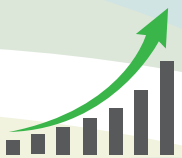

Energy Efficiency

Geothermal Energy

THERE IS NO BETTER TIME TO DO BUSINESS IN INDIA

IRENA predicts that India will become world's 4th largest renewables consumer by 2030, so now is the time to make important business connections in this market.

India aims to have **175,000 MW of renewable energy capacity by 2022**

9%

India is estimated to account for **9% of future worldwide renewable capacity**

Endowed with **huge solar energy potential**

Ranked **5th in the world's top ten wind power producers**

Target of **15,000 MW of biomass-based capacity by 2022**

An estimated small **hydro potential of 15,000 MW**

WHO YOU CAN MEET:

Renewable Energy World India will provide the opportunity to make long-lasting business connections with high-level dignitaries, officials and executive management from government, utilities and private enterprises from India and around the world.

- Academia
- Advocacy Groups
- Architects
- Associations and Industry leaders
- Bio-diesel / bio-ethanol distributors or refining companies
- Building Owners
- Clean-Tech specialists
- Code Officials
- Concentrators, EPC companies
- Consultants and certification agencies
- Construction Companies
- Component Manufacturers
- Corporates
- Electrical, mechanical and civil contractors
- End users
- Engineers
- Environmental Groups
- Entrepreneurs
- Equipment Manufacturers
- Governments and High level decision makers
- Green Power Providers
- Hydro turbine manufacturers
- Insurance companies, surveyors, operations and maintenance providers
- International organizations
- Law Firms
- Manufacturers of energy efficient equipment for power generation
- Manufacturers of geothermal heat and ring compressors pumps
- Manufacturers of LED and charge controllers
- Manufacturers and suppliers of generators
- Media
- Municipalities
- Non-profit Organizations
- Non-Governmental Organizations
- Policy level thinkers
- Planners
- Plant operators
- Project Developers
- PSUs
- R & D institutions
- Smart grid
- Software solution developers
- Solar cells manufacturers
- Technology developers
- Trade associations
- Utility providers
- Wind electric generator (WEG) manufacturers
- Wind farm owners
- Venture Capitalists, financial institutions etc.

CONFERENCE

HEAR INDUSTRY EXPERTS DISCUSS THE LATEST CHALLENGES AND SOLUTIONS FOR INDIA'S RENEWABLE ENERGY MARKET

Renewable Energy World India will bring industry professionals together to exchange knowledge and share ideas about best practices and new renewable energy technology developments, with the aim of providing low carbon and sustainable solutions for the Indian power sector.

The high calibre of speakers and comprehensive conference programme will establish Renewable Energy World India as a **must-attend event for the renewable energy industry.**

RENEWABLE ENERGY WORLD INDIA - INFORMATIVE, IMMERSIVE, ACCESSIBLE.

Renewable Energy World India passes are designed to give you the best possible experience at the best value. Choose from the options below to find the one that fits your needs.

PASSES	EARLY BIRD	FULL RATE
3 DAY CONFERENCE DELEGATE <i>Includes 3-day conference, lunch on 3 days, entrance to the exhibition and one conference proceedings</i>	\$290	\$500
3 DAY ASSOCIATION CONFERENCE (IPPF) <i>Includes 3-day conference, lunch on 3 days, entrance to the exhibition and one conference proceedings</i>	\$300	\$300
3 DAY GOVERNMENT CONFERENCE DELEGATE <i>Includes 3-day conference, lunch on 3 days, entrance to the exhibition and one conference proceedings</i>	\$200	\$200
3 DAY EXHIBITOR CONFERENCE DELEGATE <i>Includes 3-day conference, lunch on 3 days, entrance to the exhibition, and one conference proceedings (Must be an exhibiting company)</i>	\$175	\$175
STUDENT (ID REQUIRED) <i>Includes 3-day conference, lunch on 3 days, entrance to the exhibition and one conference proceedings</i>	\$50	\$50
1 DAY CONFERENCE DELEGATE <i>Includes entrance to exhibition and conference sessions, and lunch on one day. Conference proceedings are NOT included.</i>	\$100	\$170
Register by 21 April 2016 to claim your Early Bird Discount

CONFERENCE AT A GLANCE

WEDNESDAY 17 MAY 2017			
WEDNESDAY 17 MAY 2017	11:30 - 13:00	Welcome & Inauguration Ceremony	
	13:00 - 14:00	Delegate Lunch Break	
	Session 1 14:00 - 15:30	High-Level Plenary Panel Discussion: India's Rapidly Evolving Power System - How to Ensure a Smooth Transition	
	15:30 - 16:00	Delegate Coffee Break	
		RENEWABLE ENERGY WORLD INDIA STRATEGIC TRACK	RENEWABLE ENERGY WORLD INDIA TECHNICAL TRACK
	Session 2 16:00 - 17:30	Panel Discussion: Examining the Policy Roadmap for the 175 GW, 2022 Target	Energy Storage & Greater Renewable Energy Integration
THURSDAY 18 MAY 2017			
THURSDAY 18 MAY 2017		RENEWABLE ENERGY WORLD INDIA STRATEGIC TRACK	RENEWABLE ENERGY WORLD INDIA TECHNICAL TRACK
	Session 3 09:30 - 11:00	How to Successfully Finance Renewable Energy Projects - Real-Life Examples	Microgrid Design & Management
	11:00 - 11:30	Delegate Coffee Break	
	Session 4 11:30 - 13:00	New Business Models for Renewables Companies	Microgrids - Real-Life Examples
	13:00 - 14:00	Delegate Lunch Break	
	Session 5 14:00 - 15:30	Joint - Plenary Panel Discussion: Exploring How India's Grid System Needs to Evolve	Latest Advances in Solar PV
	15:30 - 16:00	Delegate Coffee Break	
Session 6 16:00 - 17:30	Renewable Energy Sector - What Skill-Set Development is Needed?	Biomass, Biogas & Waste-to-Energy Project Focus	
FRIDAY 19 MAY 2017			
FRIDAY 19 MAY 2017		RENEWABLE ENERGY WORLD INDIA STRATEGIC TRACK	RENEWABLE ENERGY WORLD INDIA TECHNICAL TRACK
	Session 7 09:30 - 11:00	Latest State-Level Wind Development Plans	Unlocking India's True Hydro Potential via Small-Scale Generation
	11:00 - 11:30	Delegate Coffee Break	
	Session 8 11:30 - 13:00	Update on India's Energy Efficiency Drive	Latest Advances in Wind Power
	13:00 - 14:00		Delegate Lunch Break

EXHIBITION

MAKE KEY CONTACTS IN INDIA'S RENEWABLE ENERGY SECTOR

This unique event will provide the opportunity for you to interact with leading exhibiting companies from India and across the globe. You will also have the chance to see first-hand equipment demonstrations, as well as the latest technology and service solutions.

ACCESS
TO THE
EXHIBITION
IS FREE.

WHY VISIT?

- Experience new technologies and developments
- Source new products and suppliers
- Explore business opportunities and meet new partners in dynamic surroundings
- Encounter some start up and well established companies
- Keep up to date with industry developments
- Network with industry peers and colleagues
- Create long term business relations with industry expert sales staff
- Stay ahead of your competition by determining the best products to advance your company forward

Best of all. Attending as a visitor is FREE

Register Now at www.renewableenergyworldindia.com

EXHIBITION

THERE IS STILL TIME TO BOOK YOUR BOOTH

Renewable energy will play an ever-more important role as the Government of India seeks to transform the country's power generation system into one that is low-carbon and highly efficient.

THERE IS NO BETTER TIME TO SHOWCASE YOUR PRODUCTS/SERVICES TO INDIA'S GROWING RENEWABLE ENERGY MARKET

EXHIBITING INVESTMENT:

Standard Raw Space: \$600 per sqm

Shell Scheme Construction: \$710 per sqm

Basic Listing Package: \$275 (compulsory)

The exhibitor package comprises the following:

- Shell scheme or Raw space at India's newest renewable energy event
- Exclusive discounted advertising opportunities in **www.renewableenergyworld.com** and the official Event Guide
- Exhibitor listing on the website and Event Guide
- Significantly discounted conference delegate registration for your stand personnel

Shell scheme package includes:

- Walls • Company named fascia board
- Electricity socket • Lighting • Carpet
- Counter and two chairs

Sponsorship is a highly effective tool to help achieve your business objectives and enhance your strategic marketing campaign by providing your organisation with visibility prior, during and after Renewable Energy World India.

ADDED VALUE FOR INTERNATIONAL EXHIBITORS

- 2 complimentary exhibitor conference passes tickets per 9 sqm
- Pre-event digital mailing
- Free marketing consultation
- Courtesy website evaluation from the marketing solutions team

CONTACTS

Renewable Energy World India will become the leading platform for professionals to share ideas to promote and support the greater use of renewables in India's power generation mix.

Join us in New Delhi. Register as an attendee or apply to become exhibitor online at:
www.renewableenergyworldindia.com
